

UZB: Third CAREC Corridor 2 Karakalpakstan Road Project (A380 Kungrad to Daut-Ata Section)

Government of Uzbekistan has proposed to upgrade its regional transport corridors to address the logistical challenge of being a landlocked country and is committed to improve its roads that are part of the Central Asia Regional Economic Cooperation's (CAREC) six priority corridors. The proposed Third CAREC Corridor Road Investment Program aims to complement the ongoing efforts to improve the CAREC Corridors by providing the last missing link to the international border with Kazakhstan, rehabilitate roads in Khorezm and Kashkadarya, and develop of road side infrastructure.
