

Environmental and Social Impact Assessment Report under the project "Reconstruction of the road A-380 "Guzar-Bukhara-Nukus-Beineu" on a section of 150-228 km (78 km)" (Bukhara Road Network Improvement Project).

The Road Committee of the Republic of Uzbekistan (RC) plans to implement the project "Reconstruction of the road A-380 "Guzar-Bukhara-Nukus-Beineu" on a section of 150-228 km (78 km)" with financial support from the Asian Infrastructure Investment Bank (AIIB). In this regard, in March 2020, the RC prepared an attached the Environmental and Social Impact Assessment Report. We will be grateful for your comments and recommendations. All your suggestions will be analyzed and taken into account in the preparation of the final document.
