

HUMAN VALUE IS GREAT: HE SHOULD LIVE HAPPY AND SATISFIED WITH HIS LIFE, NOT TOMORROW, NOT IN THE DISTANT FUTURE, EXACTLY TODAY!

As you know, in recent years, within the framework of the "Open Budget" initiative project, road transport infrastructure, engineering communication networks, and social sector objects are being built and improved in many villages and neighborhoods.

A total of 3,796,950 thousand soums were allocated to the "Open budget" program in Buloqboshi district, and internal economic roads were selected for repair in 5 areas through voting.

Currently, a total of 10,635 km of roads have been built in 5 MFY areas by the Buloqboshi District Road Use Unitary Enterprise, and currently 8,471 km of asphaltting work has been carried out in 4 neighborhoods, and asphaltting work is ongoing in the remaining 2,164 km.
