

Shavkat Mirziyoyev: it is important that people have an increased desire to live better

In accordance with the program for 2017-2018, developed following the President's visit to Andijan region in June last year, more than 3 thousand projects worth 1.5 trillion sums were implemented in the region in 2017.

As a result, industrial output increased by 26 percent, in the first quarter of this year by 34 percent.

"The importance is not in the numbers, but in the fact that confidence of our people in the future, their desire to live better is strengthening," the Head of the state said.

This was reported by the Press Service of the President of the Republic of Uzbekistan.
